

SANTIAGO

A nighttime photograph of the Santiago Cathedral in Chile. The cathedral is illuminated with warm lights, and its central dome and spire are prominent. Several tall palm trees are in the foreground, also lit up. The sky is a deep blue. In the foreground, there are people walking and a few vehicles, including a green and white van. A concrete barrier is visible in the immediate foreground.

BARS AND RESTAURANTS

Places to eat and drink in Santiago

There's little doubt that Santiago is one of the most interesting cities, not just in Chile, but the whole of South America.

Rich in culinary diversity, taking tradition and modern approaches hand-in-hand, the city offers a wide blend of restaurants – stretching from fine dining at its best, to street food at its most honest.

No matter your diet, or what your palate desires, Santiago provides everything in abundance and does so with all its heart.

In this guide we have scoured some of Santiago's most well-known, celebrated, and hidden restaurants and bars in the city so that you can truly get the best out of your trip to Santiago.
